

A Time to Say 'Thanks' & 'You Are Loved'

Valentine's Day comes around once a year, and the day is filled with well wishes and sweet treats for the ones we love.

Just a quick look around our schools during this wonderful Spring season shows the many ways we go the extra mile to educate and love our children.

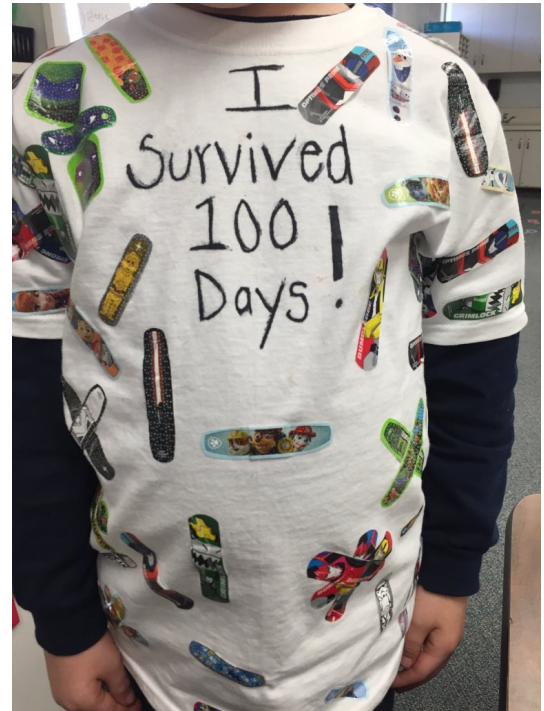

Our teachers and administrators strive every day to Be The One, and sometimes they are the *only one*, to show a child they are loved and cared for.

The 'heart for kids' in our district beats year round, every day, and not just on a special day like Valentine's Day.

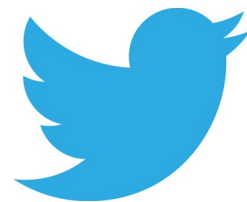

If you haven't taken time yet, step back to see all the beautiful things there are to celebrate, the people there are to love, and consider yourself loved, too. And take a quick look on the next page of this newsletter. We've got quite a few birthdays on Valentine's Day to celebrate!

You make a difference every day.

Happy Valentine's Day, and as always, remember what is important in life.

This shirt says a lot!
The first 100 days are behind us,
with many of our best days
yet to come.
Here's to finishing strong.

*Bryan ISD: The State of Texas
is Taking Notice!*

We're going strong with our social media presence, and districts around the state have noticed—let's keep it going!

The best part is it's easy, and it's a great way to share the wonderful things going on in Bryan ISD.

No one can tell our story
better than US.

So tweet away!
